Encouraging English Speaking at Home:

As summer holidays approach, it's the perfect time for children to strengthen their spoken English skills. With the support and cooperation of parents, children can build confidence by using simple words and sentences in daily conversations.

Here are some engaging sentences they can practice at home:

- Mummy, what are we cooking today? Can I help you?
- Papa, can we go for an evening walk together?
- Grandpa, what was your favorite childhood game? Can you teach me?
- Grandma, could you tell me an interesting story from your childhood?
- Mummy, may I set the table for dinner?
- Papa, can we plan a cycling trip this weekend?
- Could you please pass me the book? I would love to read it.
- Hello Uncle/Aunty, hope you're having a wonderful day!
- Good morning, Papa! How did you sleep last night?
