Mr. Praveen Sharma Head of the school welcomed the members present in the meeting.

He appraised the members that the meeting has been convened to discuss and approve the fee-schedule to be charged from the students from the academic session 2026-27 to 2028-29. The members were informed that the present fee structure is not sufficient to meet the increased liability of the staff salary, increment to staff and appointment of more teachers to enhance the quality of education. Further, the day to day recurring and non - recurring expenses have also increased due to inflation. As such the school does not have any other alternative but to increase the fee structure by at least 10% to minimize the deficit in expenditure over income. The budget proposals for the ensuing year were also placed before the meeting. The members after due deliberation of discussion decided to increase the Tuition Fee and other charges not more than 10% as compared to the previous academic session. The same was approved by the PTA. The fee schedule to be charged from the students from academic session 2026-27 to 2028-29 shall be as under in comparison to previous session:-
